Complete and submit this form every week to your Internship Instructor go.iu.edu/1Soa

Internship Instructor Name: _____

Student Name: _____ Starting Date: _____ Ending Date: _____

Company Name: _____ Supervisor Name: _____ Position: _____

Hours Worked This Week: _____ Email: _____

List of Tasks and Activities:

Status:

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____

Hardware & Operating Environment Used:

Application Software Used:

Application/System Software Written: (Describe, specify language, scope, etc...):

Application/System Software Maintained: (Describe, specify language, scope, etc...):

Which of the following courses or topics you referred to during the past week?

Languages used:

Visual Basic (B100)

Java (C490)

C++ (C101, C201)

C# (C490)

Data Structures (C243)

Computer Structures (C335)

Digital Design (C421)

Foundation of Digital Computing (C250)

Foundations of Computing (B401)

Multiuser Operating Systems (C151)

System Analysis & Design (C308)

Operating Systems (C435)

Other: _____

Organization of Programming (C311)

Analysis of Algorithms (C455)

Other: _____
