Re: Petition to grant computer science credit

Student Name: ________________________________

S-ID number: ________________________________

The above student has requested computer science credit for the course_________________________ completed at _________________________________.

The department has considered the merits of this request and found the course to be equivalent to Computer Science _____________________________.  I would like to petition the Office of IUSB Admissions that the student be given ____________ credits for this course and the this course be recorded on the student’s transcript.
