Answer the following questions from the problem set at the end of Chapter 1. (see page 42-44)

Problems:

1, 6, 7, 8, 9

On the due date, I will ask you to turn in one or more of these questions for grading, so please have each question and its answer printed on a separate page.

What to Turn In?

1) Typed question (abbreviated if you like) and your answer.

2) Create a Cover Page with the following information:

Assignment #
Assignment Description

by:

Name

C311 - Concepts of Programming Languages

Date
