

INFO-I 400/CSCI-C490/C690: SECURITY FOR NETWORKED SYSTEMS

SPRING 2020

Prereq: CSCI-C 308 or INFO-I 450. Grade of C- or better.

6:00pm - 7:15pm (TR)
NORTHSIDE HALL (NS) 225

Dr. Liqiang Zhang
Office: NS 331
liqzhang@iu.edu

This course is an extensive survey of system and network security. Course materials cover the threats to information confidentiality, integrity and availability and the defense mechanisms that control such threats. The course provides the foundation for more advanced security courses and hands-on experiences through course projects.
